

IAEI BENJAMIN FRANKLIN CHAPTER

IAEI MEMBERS, CONTRACTORS, INSPECTORS, ENGINEERS,
ARCHITECTS, ELECTRICIANS AND ELECTRICAL PROFESSIONALS

NOVEMBER GENERAL MEETING NOTICE

The Benjamin Franklin Chapter of the IAEI is EXTREMELY PROUD to announce that our very own Bruce Bubeck from Square D by Schneider Electric will be our featured speaker for November. Bruce is a Consulting Engineer Specialist with Square D. He is also a member of our Board of Directors and our Membership Chairman. His lifetime of experience in the electrical industry assures that this will be a presentation not to be missed! Bruce is very knowledgeable, charismatic, and a true gentleman. We are very fortunate to have access to his wealth of knowledge and sophistication.

Bruce will instruct us on the NEC rules associated with GFCIs and AFCIs. We will be treated to a brief history of these technologies followed by an in-depth explanation of how they work, how to employ the devices that provide protection, and what is needed in order to comply with the NEC fundamentals. YOU MUST NOT MISS THIS! We have new codes in PA and Philadelphia; this information is necessary and timely. So please, join us for an outstanding educational opportunity, a delicious meal, and an unparalleled networking opportunity. All attendees who register will receive a Continuing Education Unit (CEU) Certificate reflecting 2 contact hours (0.2 CEUs) of training.

DON'T MISS THIS!
