ARCHITECTS, ELECTRICIANS AND ELECTRICAL PROFESSIONALS

FEBRUARY GENERAL MEETING NOTICE

Happy New Year! The Benjamin Franklin Chapter of the IAEI is proud to carry on our tradition of bringing you the knowledge gained at the Code Breakfasts at the IAEI EASTERN SECTION MEETING. For our members who cannot attend the Section Meeting, we are pleased to report back to you on the latest news, information, and industry trends as revealed at this annual seminar. Of course, we're here to learn about codes and standards, and there is no shortage of that at the Section Meeting. Our instructors will provide you with a fascinating review of the toughest NEC, Industry, and Listing conundrums ever contemplated! OK, maybe that's an exaggeration, but these are some truly difficult questions that our industry must deal with on a daily basis. Don't you deserve to avail yourself of the answers as provided by a ROOMFUL of inspectors? After attending this meeting, you WILL be a more knowledgeable, better-informed electrical professional. YOU MUST NOT MISS THIS! So please, join us for an outstanding educational opportunity, a delicious meal, and an unparalleled networking opportunity. All attendees who register will receive a CEU Certificate reflecting 2 hours (0.2 CEUs) of training. **THIS IS PART II.**

DON'T MISS THIS!
